The Discussion

Copy and paste the discussion question into the chat window

Facilitate the discussion if you have 1-8 participants

If you have more than 8 participants, use the Breakout room feature (or whatsapp, texts, separate Zoom calls etc, this is based on user preference).

Before the call ends, ask participants if they would be willing for you to take a photo of the meeting to share on Alpha Socials.

Send this to communications@alpha.org.au. You don’t need to do this every week, one week is enough.

When it is time to end the call, let participants say goodbye and leave the meeting first then end the meeting.

Breakout Rooms

To enable the Breakout Room feature on your account: Sign into the Zoom web portal, click Account Management, Click Account Settings, Navigate to the Breakout Room option on the and select “on” and tick “Allow host to assign participants to breakout rooms.”

1. Select Breakout Rooms
2. Select Number of Rooms
3. Assign Guests to Rooms
4. Adjust Settings if Needed
The Alpha Weekend

We recommend:

Watch all three videos in one day

Include live or pre-recorded testimonies to create an authentic and personal environment

Make sure to add fun elements into the day! Surveys, games, humorous videos – the day should feel varied and creative

Create expectation. Share testimonies before the weekend

Consider using the Alpha Youth Series combined session: Spirit - who is the Holy Spirit and what does the Holy Spirit do? (24 mins) Share this with guests to watch on the Friday evening. [https://vimeo.com/399752652](https://vimeo.com/399752652)

Prayer Ministry Options

After the talk, ‘How can I be filled with the Holy Spirit?’ have a short time of discussion. Those questions can be:

1. What do we learn about God from this session?
2. What do we learn about people?
3. Did you learn anything new?
4. What questions does this create for you?
5. What would you like to do after this session? (Would you like to be prayed for?)

Pray “Come Holy Spirit” for everyone in the group. Then offer individual prayer ministry from you and another Host or Helper after the call. You could even have people sign up for 15min sessions.

Though we cannot lay hands on people, all the same principles apply in prayer ministry online as they do on any other Alpha prayer experience.

Hosts & Helpers

The role of the host and helper during online Alpha doesn’t change much. The group host may need to be a bit more energetic and dynamic than they are in person to help maintain energy within the group. They may also need to keep an eye on the chat window for any comments, etc., that come in that way. This platform may help those who are more reserved or a bit quieter to actually speak up and participate in discussion.

Helpers can also help moderate the chat window for those who may choose to participate that way. Some churches find that guests participating in online Alpha are willing to be more vulnerable and groups may delve into deeper conversation more quickly that they are otherwise used to.
Hospitality

Even though groups are meeting online, churches can still put a strong emphasis on hospitality.

Suggest that your guests prepare themselves their favourite beverage to enjoy during the call like a cup of tea or coffee, and some snacks. (Especially for the weekend sessions.)

Engage from the start: Make sure either the course host or group host is engaging right from the beginning of the online session – saying hello to people, asking questions, telling jokes. Avoid the silence and keep excitement and enthusiasm high.

Chat lots: Encourage hosts, helpers, and guests to utilise the chat functionality to comment and ask questions during the video as well as during discussion time when others are talking.

Logistics

Internet Connection: Make sure you have a strong internet connection. If possible, plug directly into an ethernet cable. If you are using wifi, a way to check your wifi speed is here: https://www.speedtest.net/

Short and Sweet: Churches have found that in an online format, people start to lose interest at around the one-hour mark. We recommend keeping the full session to around one hour.

Email more: In a digital setting, more communication is needed than usual:

Send weekly emails re-capping the talk and ask guests to share their thoughts via email. Include the link for the next session.

Check-in if someone missed a night.
Host Preparation

Be prepared: Hosting online is a different experience to hosting in person, make sure your team is ready by ensuring they have access to all video files, discussion questions, and fully understand Zoom.

Be aware: Churches have found that guests tend to feel more vulnerable online than in person. Prepare your hosts so they can expect this.

Zoom Etiquette

Ask all guests to be on video, not just audio

Ask all guests to join in a quiet environment if possible

Ask all guests to unmute during discussion (unless in a noisy setting). This allows for more organic, free flowing conversation

Have a host or helper rename participants in the “manage participants” section for those who are not being listed as their name. This makes it easier to assign participants to breakout rooms.
